Texas Solar Power Company Limited Warranty

Texas Solar Power Company (TXSPC) provides a five year labor warranty on both residential and commercial installations. If for any reason (except what is defined below) any equipment fails within five years of the final inspection date, TXSPC will replace or repair the failing equipment at no cost. The customer will be responsible to pay any labor and/or service trip charges for any piece of equipment that is still under manufacturer's warranty, but fails outside of the TXSPC warranty period. The customer will be fully responsible for any equipment that fails outside of the TXSPC and manufacturer warranty period.

TXSPC does not warranty against Acts of God (including but not limited to, hurricanes, tornados, earthquakes, lightning strikes, flooding), damage due to fire, damage due to falling objects such as tree limbs and third-party tampering (i.e. changes/inspections/damages made by any party that is not a representative of TXSPC).

TXSPC does not warranty system output. Any information provided by TXSPC in regards to system output was provided for evaluation purposes only. System output varies from location to location and is dependent on actual weather conditions.

TXSPC does not guarantee that the customer will be approved for any tax credits, grants, rebates or net-metering.

This document does not apply to installation contracts dated before 1/1/2009.

This warranty is transferable in the event of sale of home, office or property.
